I've been in love with that phrase for years: *The Revelation of the Method* is not my invention, but borrowed poetry from the world of conspiracy facts. Although it gets referred to as an actual Masonic concept, it's actually a very recent fabrication from Catholic "Revisionist Historian" named Michael Hoffman. In his original formulation the *Revelation of the Method* is an occult ritual, specifically a "Masonic psychodrama."

Used casually, the implication is always the same: **when the Cryptocracy commits major crimes, they will broadcast their intentions in advance, through popular movies and television.** Hoffman "it's my contention that these are occult rituals and that like the Rosicrucian Manifestos of the early 17th century they are accompanied anonymous statements of intent like the original MKUltra Unabomber manifesto, as well as scripts that precede the ritual."

"Look at the movie "The Matrix" **in the wake of Columbine.** Look at "The Wicker Man" movie **in the same time frame** as Son of Sam. *The themes of the killings are in th*

*movies.*" Whatever its actual merits, the end result of this theory is pattern recognition in the service of a pre-established conclusion.

The Revelation of the Method is how the Rothschilds, the Illuminati, or the Vatican the CIA *rub it in our faces*.

Every Psychopath in Every Movie will boast of what he is going to do, instead of getting on with killing the hero.

In real life, in Criminology Text Books, Psychopaths are just like that...

Alexander Pierce: I can bring order to the lives of seven billion people, by sacrificing twenty million. It's the next step, Nick. If you have the courage to take it.

Nick Fury: No. I have the courage not to.

There are fifteen levels of lies available in modern secure computers. It's called compartmentalisation where the top level can see all the elisions of the fifteen level lies.. a different lie for each level - and all of them start with "There are too many people in the World"..

Captain America Steve Rogers: You just can't stop yourself from lying, can you?

Nick Fury: I didn't lie. Agent Romanoff had a different mission than yours.

Nick Fury: You know, I read those SSR files. "Greatest Generation"? You guys did some nasty stuff.

Captain America Steve Rogers: Yeah, we compromised. Sometimes in ways that make us not sleep so well. But we did it so that people could be free. This isn't freedom. That is fear.

Nick Fury: S.H.I.E.L.D. takes the world as it is, not as we'd like to be. And it's getting damn near past time for you get with that program, Cap.

Captain America Steve Rogers: Don't hold your breath.

Captain America Steve Rogers: Which you didn't feel obliged to share.

Nick Fury: I'm not obliged to do anything.

Captain America Steve Rogers: Those hostages could have died, Nick.

Nick Fury: I sent the greatest soldier in history to make sure that didn't happen.

Captain America Steve Rogers: Soldiers trust each other. That's what make it an army. Not a bunch of guys running around shooting guns.

Nick Fury: Last time I trusted someone, I lost an eye. Look, I didn't want you doing anything you weren't comfortable with. Agent Romanoff is comfortable with

everything.

Captain America Steve Rogers: I can't lead a mission when the people I'm leading have missions of their own.

Nick Fury: It's called compartmentalization. Nobody spills the secrets, because nobody knows them all.

Captain America Steve Rogers: Except you.

Infiltration is the common methodology of the take over of the political structure..

Captain America Steve Rogers: You gave me this mission. This is how it ends. S.H.I.E.L.D.'s been compromised. You said so yourself. HYDRA/FASCISM grew under your nose and nobody noticed.

Nick Fury: Why do you think we're meeting in this cave? I noticed.

Captain America Steve Rogers: How many paid the price before you did?

Nick Fury: Look, I didn't know about Barnes.

Captain America Steve Rogers: Even if you had, would you have told me? Or would you have compartmentalized that, too? S.H.I.E.L.D., HYDRA, it all goes.

Captain America Steve Rogers: Attention all S.H.I.E.L.D. agents, this is Steve Roger You're heard a lot about me over the last few days. Some of you were even ordered t hunt me down. But I think it's time to tell the truth. S.H.I.E.L.D. (CIA) is not what v thought it was. It's been taken over by HYDRA (Hitler's Bush Fascist SS). Alexander Pierce is their leader. The S.T.R.I.K.E. and Insight crew are HYDRA as well. I don't know how many more, but I know they're in the building. They could be standing ri next to you. They almost have what they want. Absolute control. They shot Nick Fu And it won't end there. If you launch those helicarriers today, HYDRA will be able kill anyone that stands in their way. Unless we stop them. I know I'm asking a lot. E the price of freedom is high. It always has been. And it's a price I'm willing to pay. And if I'm the only one, then so be it. But I'm willing to bet I'm not.

Sam Wilson: Did you write that down first, or was it off the top off your head?

The plot begins with a French “terrorist” organization hijacking a high-tech SHIEL warship called “The Lemurian Star.”

Lemuria is associated with Atlantis in the writings of occultists like British Empire Agent Blavatsky, giving us a clue that the key to interpreting the meaning will be th attempt to restore Atlantis.

This false flag attack is designed to frame SHIELD commander, Nick Fury (Samuel Jackson), disabling the Avengers and Captain America.

The state-sponsored terror is actually led by Hydra, a kind of World War 2 analog for the Satanic Fascist Bilderbugger Group and the Fascist Paperclip infiltration of the CIA by the Bush, Nazi, SS, Fascists and the Catholic Church of Pacelli, who Funded Hitler, who sanctified the SS - Sea Sclorum - as a Catholic Institution, in all the countries of South America and the USA, North America itself!

Eugenio Pacelli, who chose the name Pius XII, was the head of the Catholic Church from 1939 to 1958. Born on March 2, 1876, in Rome, Italy, Pacelli served as a diplomat for the Church in Munich where he funded Hitler with gold and put Himmler, the Head of the Sodomite Jesuits in charge of the Satanic Sodomite SS : was elected pope in 1939, succeeding Pope Pius XI

Pacelli, Pope Pius XII

Hydra, like Bilderberg, was founded by former SS Nazi Knight of the Black Sun Prince Bernhard of Holland, friend of consort to the Satanic Phoenician Empire British Empire Queen of England Prince Phillip, seeking to implement a worldwide technocratic Snowden NSA Five Eyes spy based totalitarian government.

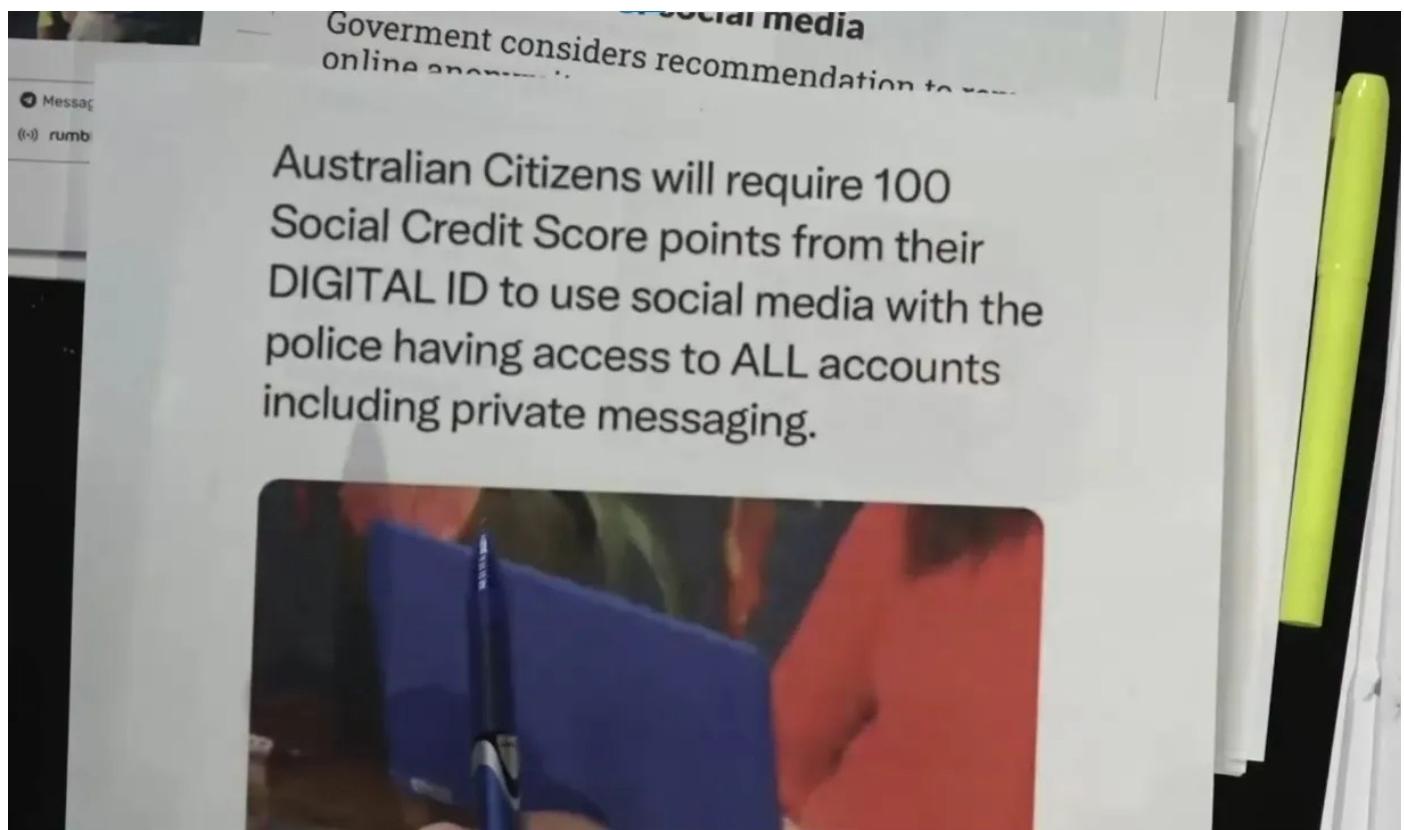

Like the actual Satanic Fascist Bilderbugger Group, it has the same goals and motivations, but what was so surprising about Captain America 2 was the revelation of the AI control/kill grid that is Hydra's real weapon.

Like in Tom Cruise's "Minority Report" The Avengers discover that the AI kill grid put in place to utilize all the data that the NSA-GOOGLE government surveillance captured over the last several decades using complex AI algorithms that predict who

the likely threats will be in the future so that as with Artificial Intelligence Minority Report Pre Crime List, or the more normal method of the Pogrom, these people can be taken out in advance.

## The Digital ID

Currently it is the International Face Scanning, Wi-Fi tracking, Bio Pass, Digital which leads on to a total Artificial Intelligence lack of privacy, Putting you on a L Social Credit Scores, De-banking, De-travelling, De-fooding Slavery system. And once they have accepted it and come to depend on it, you start tightening the screws again.

Predictive algorithmic Artificial Intelligence AI computing is precisely the purpose of the Internet itself, as well as Google and all the other tech monstrosities. The purpose of the Internet itself was always to gather reconnaissance on the masses.

The AI grid like Project Stargate - a 500 Billion Dollar investment in vast Data Centres powered by Nuclear Power and run by AI, stores basically everything, and based on vast information stored at the “data vaults” and warehouses around the globe, information is AI computer processed for future predictive Pre Crime accuracy.

As with, "The 13th Floor" by Emmerich there is a virtual version of everything happening, with a virtual version of you and me, where tests are run by AI compute on the simulation to see the outcome of various scenarios.

The reconnaissance is for the ultimate goal of the AI takeover.

Films like the 33rd Degree Freemason Cameron, "Terminator" series and Tom Cruise's "Oblivion" also have this same plot, but rather than art life imitating art, this is art based on actual Pentagon programs.

## THE HUMAN FARM

### History

Approximately one in a hundred humans is likely a psychopathic elite.

These elites fight each other to the death. But the Super Elite is possessed by Demonic people so evil that they prey on humanity as energy vampires and live much of the time, like Sauron, out of the body in chakras above the head, Immortally, in Private Universes like the Mormons say..

They descend in Satanic Rituals to possess the sons and daughters of Ancient bloodline Satanic Families to take over their Ancient Trillion Dollar holdings in Blackrock or Vanguard holding companies. A demon is not a person but a creation of dark energy intentions that consume its conjurer.

The demon, not the person it possesses, takes control of his host and transform the into a demonically possessed super-elite. The possessed elite becomes unnaturally attractive, confident, and charming, unhinged by moral conventions and societal standards.

### Baron Evelin de Rothschild - Possessed...

You have heard the instructions, over and over again. In Dr. Faustus, the demon was Greed. In Beowulf, it was Vanity. In Nietzsche's Ecce Homo, it was Grandiosity. In Sade's 120 Days of Sodom, it was Lust. In all those immoral novels, sexrapeexploitation stories, and power books, the Devil's advice is always clear: "Step over dead bodies to get what you want!"

It is essential [absolutely necessary] for some elites to surpass others and manifest a demonic double personality. This is why everything in society that is elitist, exclusive and superior necessarily incorporates Devil-worship. Just open your eyes, and you will see Him everywhere. He is part of elite culture.

### **Enlightened Geniuses - Those Possessed by the Geni, the Soul!**

The ontological counterpart [in the nature of abstraction] to demons is the geniuses. Genius is not a person but the guiding spirit of the Soul. This genius lends us its perspective, expanding our perception of the world like a magnifying glass. To imagine a genius is to envision a homunculus—a “little assistant”—sitting on our shoulders. Hence Schopenhauer’s incredible definition, building on Kant and the rationalists (and I paraphrase here):

A gifted person can hit a target no one else can hit.

A genius can hit a target no one else can see.

A genius descends upon a host and remains, often for years, usually during one’s youth. It departs as suddenly as it arrives, inevitably, once its energies are exhausted. Unlike demons, which benefit only their hosts at the expense of others, a genius may drain its host but ultimately benefits everyone else. Hence, the selfless “works of genius.”

On the Human Farm, the slavers watch the youth at play. When a gentle boy is thought to be possessed by a genius and destined for greatness, they drown him, assassinate him, bury him, sneer at him and his accomplishments..

There is nothing more terrifying to the controllers than a random, uncontrollable human wunderkind. As a result, most geniuses go into hiding—and they have become very good at it.” Thorsten J. Pattberg, PhD improved by Satchidanand

And just like Skynet is real, so is the Avengers’ version of Skynet, where advanced

decapitation and space-based sabo weapons “Rods of God” (for removing heads of state) are in place since at least the Star Wars Defense initiative of the late 70s.

In the 90's Microsoft and the military planned to have a total Skynet grid in place w directed energy weapons and a microchipped populace that would be under global technocratic rule. The declassified document is still available Fas.org.

<http://www.fas.org/spp/military/docops/usaf/2025/v3c2/v3c2-4.htm#Implanted%20Microscopic%20Chip>

The reality is DARPA built Skynet and it is still being built. This is the very heart of the entire satanic new world order plan.

It is also worth noting that Captain America is from another age – he represents old Americana in the film. He sees the world in the classic bipolar, manichaeian scheme that Mind Control Brzezinski described of the past century, where the “free” West struggles against the “tyrannical” axis and eastern powers.

“In the technotronic society the trend would seem to be towards the aggregation of the individual support of millions of uncoordinated citizens, easily within the reach magnetic and attractive personalities effectively exploiting the latest communicative techniques to manipulate emotions and control reason.” Zbigniew Brzezinski (Between Two Ages : America’s Role in the Technotronic Era, 1970)

“The technotronic era involves the gradual appearance of a more controlled society. Such a society would be dominated by an elite, unrestrained by traditional values (of Liberty). Soon it will be possible to assert almost continuous surveillance over every citizen and maintain up-to-date complete files containing even the most personal information about the citizen. These files will be subject to instantaneous retrieval by the authorities.” Zbigniew Brzezinski (Between Two Ages, 1970)

“Society dominated by an elite whose claim to political power would rest on alleged superior scientific know-how. Unhindered by the restraints of traditional liberal values, this elite would not hesitate to achieve its political ends by using the latest modern techniques for influencing public behavior and keeping society under close surveillance and control.” Zbigniew Brzezinski

The film’s title “Winter Soldier” refers to Captain’s old war buddy who was cryogenically frozen by Hydra and resurrected under MKULTRA-style mind control programming to become a mass murdering assassin.

Hydra thus intends to use the AI kill grid to set up the Satanic, “new world order,” the film says, where order will reign over chaos.

As all utopian propagandists have sought, the goal was to build the New Atlantis. It is crucial to note, as Sir Francis Bacon, the hermeticist philosopher of the new world (America) predicted the continent would become the “new Atlantis.” It is not accidental that Hydra’s goal of creating the New Atlantis occurs in the Captain America film.

Hydra logo with the Totenkopf and the Satanic 666 tentacles.

Hydra's image is similar to the classic Prussian "Death's Head," and the Nazi Totenkopf. Consider as well the Hydra symbol is red for war/bloodshed and has three mirrored tentacles that are reversible Satanic "666's".

## **James Bond and Hydra**

James Bond and Hydra have been compared due to similarities in their plot elements and organizational structures. Hydra, a Marvel Comics organization, was inspired by SPECTRE from the James Bond franchise. SPECTRE always represented MI6 which ran the World's Drugs from the time of British Empire East India Company, Committee of 300 and did all the bad things SPECTRE did.

Surprisingly, the Citadel Series - Executive Producers, the Russo Brothers - same as the Directors of the Winter Soldier, have an evil British Villain the Ambassador to Washington and representative of the Seven, High Table, richest most evil Satanic Rothschild Families in the World. Another Revelation of the Method of MI6, British Empire East India Company, Committee of 300.

Hydra, "Hail Hydra" was always meant to represent the Fascist SS "Heil Hitler" which infiltrated the CIA through Operation Paperclip to create the Sodomy Rape MKUL Mind Control of LGBTPS society as was first created by the Jesuits 500 years ago and then perfected by Mengele - was first seen in August 1965 in Strange Tales #135, while SPECTRE debuted in March 1961 in Thunderball.

So SHIELD is the CIA and HYDRA is the Fascist Sodomite SS!

In the context of recent James Bond films, the plot of "No Time to Die" (2021) share similarities with the Marvel Cinematic Universe's "Captain America: The Winter Soldier" (2014), where both feature global threats involving bioweapons developed by Hydra and Safin, respectively.

- **Hydra:** A Marvel Comics organization that seeks world domination and has a complex history dating back to World War II. SHIELD is the CIA and HYDRA is the Fascist SS!
- **SPECTRE:** A fictional criminal organization in the James Bond series, first appearing in the novel "Thunderball" in 1961. SPECTRE always represented British Empire MI6 which ran the World's Drugs and did all the bad things SPECTRE did.

The comparison between Hydra and SPECTRE often arises from their shared them elements and the influence of one on the other in the realm of popular culture.

The original James Bond series of books were written by Ian Fleming who was second in command of British Empire MI6 during WW2 and thus was privy to all the secrets but as a Gatekeeper he had to tell 90% of the truth but telling too much of the truth was assassinated - Ian Fleming died at the age of 56 on August 12, 1964, after suffering a heart attack. So young!

**Moonraker** is a 1979 spy film where James Bond investigates the hijacking of a space shuttle and uncovers a plot to commit global genocide. Bond follows clues from California to Venice, Rio de Janeiro, the Amazon rainforest, and finally into outer space. He discovers Hugo Drax's plan to destroy humanity and repopulate the Earth with a master race.

### **The Great Reset...**

In the film "Moonraker," Hugo Drax, played by Michael Lonsdale, plans to commit global genocide by releasing a nerve agent from a space station, intending to destroy all human life on Earth except for a Fascist, "Übermenchen" Dr Strangelove, carefully chosen breeding stock to rebuild humanity according to his vision. This plan contrasts with the outlandish and comedic elements of the film, making Drax one of the most monstrous villains in the James Bond series.

**Drax's space station is equipped with 50 globes strategically placed around the Earth, each containing enough toxin to kill 100 million people.** James Bond and Dr Holly Goodhead uncover Drax's plan and work to thwart it, ultimately leading to the destruction of Drax's space station.

Stanley Kubrick's Fascist Dr. Strangelove "Mein Fuhrer!" suggests a plan to preserve a nucleus of human specimens by breeding them in deep mineshafts after a nuclear disaster. He proposes a ratio of ten females to each male to ensure the population can recover to the present Gross National Product within twenty years.

In discussing this plan, Dr. Strangelove mentions that the survivors would breed prodigiously and that the women would have to be selected for their sexual characteristics to be highly stimulating, as each man would be required to provide "prodigious... service".

After Dr Strangelove, Stanley Kubrick had to move to England to prevent assassination where he was protected by his peerage name, Stanley, the Kingmakers - see Miles

Mathis... but even that name did not protect him when he was assassinated after, "E Wide Shut" (J)EWS.

This has always been the plan of the Satanic Phoenician Empire whether genocide nerve gas, atom bombs, more intense Covid-like plagues, or the mRNA gene change Deathvaxx which is turbo cancering, myocarditis, heart attack killing even more people now - death rates between the ages of 16 to 64 up 40% Worldwide! 35 Million extra people Dead!

As the Captain America film's villain Alexander Pierce (Robert Redford) states, "To build a better world requires tearing down the old one." Bilderbugger, The Great Re Build Back Better.

This is the mantra of the new world order in real life, where Chaos Magic, Orden al Chao - "order out of chaos" is the formula used for thesis – antithesis – synthesis dialectics, in order to bring about convergence and change.

The convergence and change, however, is not meant for good, but for the destruction of the "weak," those not, "fit" to live as the eugenocidalist social Darwinian plan of manufactured "evolution" marches on.

So, does Captain America 2 represent authentic rebellion on the part of some of the artistic establishment? Does it represent more revelation of the method indoctrination, subtly using propaganda and psy-ops techniques to lull the unwashed masses into acquiescence, as the technocracy advances on? We will have to wait and see where the next Marvel installments take us, but with Iron Man 3 exposing Bin Laden and 911 as false flags and Captain America 2 exposing the Snowden NSA Google Skynet, things are looking better.

As I wrote back in 2014 when Captain America, the Winter Soldier Came Out directed by the Russo Brothers.

Well, the Russo Brothers made Predictive Programming Infinity War (2018) and Endgame (2019) just before the Covid Genocide, which posited a 50% reduction in population Universe Wide after Thanos steals all the infinity Stones representing the chakras and kills everybody.... Geddit?

Captain America, Winter Soldier and Infinity War are Revelations of the Method, predictive programming...

“Captain America: The Winter Soldier” basically says that the Snowden NSA was invented and infiltrated by Hydra Operation Paperclip Nazis...and because of the False Flag 911 Patriot Act that we let it happen, insisted even, giving up our freedom because we were too afraid to do anything else,” wrote Darren Franich in Entertainment Weekly.

“What Western peoples do not know, and do not want to know, is that they no longer live in democracies. They live in tyrannies in which they have no reliable rights. The orchestrated “Covid pandemic” perfectly demonstrated that civil liberty is totally dead in the Western World.

“US President Donald Trump, a courageous man unlike the cowards of our time, has challenged the corrupt American and European Establishment. He has undertaken to renew the principles and values that made the Western World great. But has he the power? It remains to be seen, and I support him.

However, it took Americans too long to realize and to acknowledge their peril. Trump has been handed the challenge after the rot of every American value and principle has been institutionalized, set in stone, for so long that the institutionalized government is against him.

The Rothschilds have bought and bribed and blackmailed everyone, every institution over the last 100 years... , the judiciary is against him, the Democrat Party and the RINO Republicans are against him, the law and journalism schools are against him, the universities, the print, TV and NPR media are against him. The Establishment’s opposition to Trump expresses their opposition to democracy.

Only the dispossessed majority are for Trump, and they have no power. The Democrats have proven that it is easy to steal the vote from them, to arrest them as

insurrectionists, to seize their children from them, and to have them fired from their jobs because they gave voice to unapproved statements.

The Biden regime had succeeded, and carried corporate America with it, in having government in which there were no white heterosexual gentile males in senior positions and in which promotions of white heterosexual males in the military were put on hold in order to advance DEI.

The blatant discrimination against white heterosexual males was a violation of the 14th Amendment and the 1964 Civil Rights Act. And the judiciary did nothing about it. But the judiciary is active in preventing the deportation of illegals who have no right to be in the US.

Considering the extraordinary powers arrayed against Trump only violence can prevail over the powerful anti-American Establishment. The American people do not understand this, and so Trump hasn't the power to prevail.

When the Democrats return to power, Americans will experience tyranny not seen since Stalin. Like Cicero, who did his best to save Rome, Trump and his supporters will be hunted down and destroyed. All white heterosexuals will be suppressed, reduced to second class citizenship, and regarded as an unreliable element always under government surveillance.

**We will be put on terrorist watch lists** and designated a terrorist group. Already so years ago the Secretary of Homeland Security, a Nazi term, said that the focus had changed from the war on terror to “domestic terrorism” by which was meant white gentile heterosexuals who are pro-family, pro-life, and Christian. Democrat presidential candidate Hillary Clinton gave traditional Americans their term of demonization when she declared them to be the “Trump deplorables.”

Already, the tyrannical government of Germany, an alleged “democracy,” has exceeded in its treatment of Dr. Reiner Fuellmich the invidious attacks by the US and UK

governments on Julian Assange.

When truth cannot be spoken and truth-tellers are imprisoned, freedom is totally dead. This is the situation today throughout the Western World. Can Trump really resurrect the West from the dead?" <https://www.paulcraigroberts.org/2025/04/22/can-the-west-be-resurrected-from-the-dead/>

But you can only be so subversive when you run a multi-billion franchise and have your stars signed, because of the blacklist, to long-running contracts. "Captain America: The Winter Soldier" may be inspired by President Obama's kill list. But it reaches the same conclusions the administration uses to justify the targeted killing program.

Nick Fury has been overseeing a new weapons program called Project Insight that syncs up satellites that can "read a terrorist's DNA" and helicarriers with precision weapons, so S.H.I.E.L.D. can take out future potential threats, like Tom Cruise's Minority Report, rather than responding after a hijacking or an attack.

Rogers objects immediately on principle, and Fury joins in when he discovers that he has been locked out of Project Insight.

Ultimately, we learn that Fascist Project Paperclip Hydra, the nasty totalitarian age from the previous "Captain America" movie, "Hail Hydra" has infiltrated S.H.I.E.L.D. and lead by Nazi Hydra Infiltrator Alexander Pierce (Robert Redford), intends to use Project Insight to kill a great number - Millions - of people.

The Obama drone Kill List is reviewed every day and drones and James Bond assassins sent out every day to kill people on that list.

Bowman (September 19, 1934 - August 22, 2013) was a former Director of Advanced Space Programs Development for the U.S. Air Force in the Ford and Carter administrations, and a former United States Air Force Lieutenant Colonel with 101

combat missions. He received a Ph.D. in aeronautics and nuclear engineering from California Institute of Technology.

"Captain Doctor Bob Bowman, head of special programs at NASA became a whistleblower before being cancered in 2013 like presidents Chavez, Lula, Castro, Roussef and Kirchner.

General, Doctor Bob Bowman said that the USA had space weapons in the 1970's, - projected in Agent Heinlein's 1966 "The Moon is a Harsh Mistress" - with 15,000 m per hour kinetic impact with the force of an atomic bomb, "Rods of God" Depleted Uranium or Tungsten Sabos from Space Weapons Platforms which could kill presidents worldwide even under six miles deep mountains. There must have been improvements since then..

"The Technological feasibility of a defensive shield - Trumps Golden Dom - is entirely irrelevant, because Star Wars has nothing to do with defense. It is an attempt to deploy offensive weapons disguised as defense. In 1982, in his secret defense guidance document, Ronald Reagan ordered the Department of Defense to develop Star Wars weapons, and he assigned them two missions. One: Destroy opposing satellites and seize control of space. Two: Destroy targets on the surface of the earth from space without warning. There wasn't a word in there about shooting down ballistic missiles. That was a smokescreen for the American people, because they knew that the American people would never approve weapons in space for offensive purposes.

**And “Captain America: The Winter Soldier” returns time and time again to the idea that the biggest issue in national security is who controls the apparatus, - The Satanic Rothschilds or Trump - and unless destroyed now by Trump, the Rothschilds are just waiting to come back - rather than whether we should use certain technologies or techniques at all.**

As Alex Krainer says at the end of this video below...

## **It's time to change course**

The fact that no Satanic Phoenician Empire Rothschild high-level banker was criminally prosecuted for any of this suggests that the perpetrators and their enablers who walked away with a colossal loot were never subject to law enforcement in the same way that the rest of us are. The impunity the Satanic Phoenician Empire Rothschilds enjoy under our magnificent democracies virtually guarantees that they will keep on doing it. In fact, Satanic Phoenician Empire Rothschild are doing it now today we're witnessing a scramble for Ukraine's resources and a revamped scramble for Africa. The drive to destroy Russia is motivated by the desire to take control of Russian resources.

**"I thought of something George Bush told me in the Oval Office. I was asking about the policies and how they were going to change, and he said, 'Glenn, don't worry, whoever sits behind this desk, in that chair, is going to have the same advice given by the same advisors and they'll realize, the President's hands are tied.' I walked out of that room horrified... Why do we even have elections?" – Glenn Beck**

The Satanic Phoenician Empire Rothschild financiers and their minions will never relent unless and until they face accountability. But we need to do more than just demand accountability for the crimes committed. If we want to build a world of peace and prosperity, we'll have to rewrite our societies' operating systems. We, the people must demand sovereignty and empower ourselves to plan a future rooted in a genuine love of humanity. How do we do that? We must simply claim that sovereignty and unity. This place - this planet - is our birthright; we do not need anyone's permission to claim it.

"What if Pakistan marched into Mumbai, and you knew they were going to drag your daughters into a soccer stadium and shoot them, and you could just stop it. With the flip of a switch. Wouldn't you?" Pierce asks a member of the World Security Council who is horrified at the uses to which Pierce intends to put Project Insight.

"Not if it was your switch," the man tells him.

## Infiltration..

For 10,000 years the Satanic Phoenician Empire Rothschild Elite families descended from Satanic Babylon, those families descended from Satanic Nimrod, those with the mark of Cain upon them, those perverted by Satanic black energy blockages such that the normal functions of the Heart and the Conscience have been blocked so as to create what they call a new species of humanity, stronger than the rest, those able to take those decisions necessary, total Psychopaths!! And without Heart and Conscience no longer Human! And then Possessed by Dark God Demons!

So, from Babylon through the Phoenicians, through Ancient Rome, through Venice Genoa , Florence and Milan. Through the Catholic Church, Jesuits and the Popes controlled by those ancient Families comprising the Lords, Kings and Queens of Europe. Through the Protestants. Through Islam. Through Genghis Khan "Principle of Poverty", "It is not enough that I succeed, everyone else must fail", supported by Secret Services of the Venetian Empire to invade and overcome China and Asia as far as Europe.

The Principles of Satanism - Divide and Conquer, Infiltration, Assassination by Jan Bond, the Poison Borgia Cup, Snowden's NSA, The Principle of Poverty, Drugs, Torture and Hypnotism Mind Control, Slavery, Sex and Drugs - and the Satanic Ritual - Ritual Sex, Ritual Homosexuality, Ritual Pederasty, Ritual Torture, Ritual Drugs, Ritual Human Sacrifice, Ritual Castration, Ritual Seance and Demonic Possession - have ruled the World for 10,000 years.

The image shows two book covers side-by-side. The left book cover is titled 'AGAINST SATANISM VOLUME ONE' and features a red background with a blue statue of a person. The right book cover is titled 'SATANIC HISTORY FAKE COMMUNISM - KARL MARX - BRITISH AGENT' and features a dark background with a hand holding a globe. Both covers contain text about satanism and communism.

**GOVERNMENT CONTROLLED BY SATANIC PEDOPHILIA, LOVELESS RITUAL SEX, SODOMY, RITUAL DRUGS, RITUAL BLOOD SACRIFICE, RITUAL HUMAN SACRIFICE, RITUAL TORTURE, RITUAL BURNING ALIVE, RITUAL CANNIBALISM, RITUAL CASTRATION.**

**FAKE ECONOMICS** - Economists have been paid - Adam Smith (and his Satanic Mandevillian, "Public benefits come from Private Vices") was a hack, paid by Lord Shelburne, Head of the British East India Company, Foundation of the British Empire - to create an Economics which would perpetuate the Bankers of the British Empire, later the Anglo-American Empire. Austrian Economics and it's Austerity - The Oligarchic Principle of Poverty - was supported and spread by Nelson Rockefeller. Solution? See Hudsons Modern Monetary Theory or Larouche Hamilton Credit Theory. The Economist Fake Gangs

**SATANIC SABBATEAN FRANKISTS** infiltrate Jews and Jewish organisations worldwide. Pagan Rituals and Myths used to pervert, degenerate and control a Jewish psychopathic ruling class of Donmeh Attaturk, Rothschilds, Rockefellers, Schiffs, Warburgs..

**SATANIC KARL MARX** - Wrote Das Capital from his MI6 provided office in the British National Museum under Ambassador Urquhart creating MI6 inspired Communism, Russian Revolution (65 millions tortured dead) and Mao's Chinese Revolution (85 millions tortured dead), and Socialism. George Orwell's Totalitarian text's "1984" "A Boot, stamping in your face, forever" - the Totalitarian or Legalist Fake Gangs sprang from this bough. Satanism is gradually being instituted as the New World Order.

The New World Religion, defined by Satanic Ritual.

72 Empires have been recorded and every one of them has failed in the same way. The facts have been recorded that a totalitarian and satanic elite infiltrated and took over all these Empires and that 72 once free, flourishing and rich republics were destroyed from within by Satanic Ritual - read historian Arnold Toynbee. Satanism is gradually being instituted as the New World Religion defined by Satanic Ritual.

Infil-traitor of Satanism is the methodology as slowly every Government Minister and Societal function is taken over. Eventually a Satanist becomes King Emperor President. LGBTP - The Satanist Ritual Pillars of Homosexuality, Pederasty, Pedophilia, Drugs and Ritual Sex - both Hetero and Homosexual - are introduced overtly as a prelude to Ritual Human Sacrifice and Ritual Baby Sacrifice. Christianity and Judaism - the bulwarks Against Satanism - are destroyed and the society destroyed through the fear of mandatory Ritual Human Sacrifice.

The Ancient Enemy who counts meditation and the mind control psychic arts as one of its main planks of World Domination has used Satanic Infil-Traitors for 10,000 years in every Organisation - Religion, Left and Right Politics, Dynastic Families, Geopolitics, Economics, Universities, Intelligence Services, Think Tanks, Banking International Companies, Eugenics.

## 17. AGAINST SATANISM VOLUME 2 Satanic Pedophile Eugenocidalist Plato and Satanic No-Soul Aristotle.

The inspiration for the fascist state comes from Plato, the male supremacist and apologist for pederasty. Plato is revered as the preeminent classical philosopher, although his apparent advocacy of man/boy sex is not commonly known. A prototypical statement by the philosopher is recorded in George Grant's *Legislation and Immorality*: "Through the nightly loving of boys, a man, on arising, begins to see the authentic nature of true beauty" (Grant, 1993:24).

Plato's *Republic* is his best known work.

The following is a summary of the *Republic* from W.K.C. Guthrie's *A History of Greek Philosophy*:

The *Republic* (c.370 BC) advances many of Plato's principal ideas, notably those

concerned with government and justice. Composed as a debate between Socrates and five other speakers, The Republic is best known for its description of the ideal state (based on Sparta), which Plato argues should be ruled by Totalitarian Dictator philosopher-kings (Guthrie in Grolier).

As we have noted, the Spartan society was dominated by a pederastic warrior cult that featured mandatory induction of twelve-year-old boys into homosexual partnerships with adult men. Like all such cults, the Spartan military was rigidly hierarchical and elitist. Plato's concept of the "philosopher-king" is that of an autocratic dictator leader appropriate to such a society. The Totalitarian Dictator Philosopher-King rules over a kind of fascist utopia. Interestingly, Plato's idealized society in the Republic includes the elimination of the family as a social unit and elimination of private property.

This means Pedophilia Sex Rituals and a means of Totalitarian Fear Control of Human Sacrifice.

As presently occurs in Totalitarian No-Soul Communist China. Christians, Buddhists and Falun Gong are executed in special organ harvesting vans - Human Sacrifice.

They have ten of these vans in every city and they work all day long taking fresh organs to the airport for implantation in Japan. The organs harvested and sold to

Rich Oligarchs Worldwide

Because the Torah and the Bible prohibit Homosexuality, in order to introduce

Nick K 5:45 PM to me

Hi Swami,

Thankyou for this wonderful course.

I have been using the techniques for little over a week and have noticed a massive change already. After learning the breathing techniques and energy circulation I continued to automatically, naturally, do this for the entire following day!

My body just kept going and it felt great! Since that I have finished the first 4 initiations and have been working my way through a whole host of blockages.

I have found bloomin loads of em!

It's like Tahrir square during rush hour!

But they are clearing and lots of pain is leaving the body.

I have increased my meditations and I'm finding I can achieve more now I've increased the duration as it takes a while to quieten everything down and get rid of the chitta chatter.

I love your teaching style and feel a wonderful energy even through the laptop screen. I will definitely be continuing with the course as soon as I'm able.

I've also read about 4 of your books and loads of your website, I cant quite believe the amount of content you have but I'm loving it.

I'm also very grateful for the FREE! included level 0 course, it has rekindled my love for yoga!

You and your course are the very thing I have been praying for for a long time! I feel very blessed to have found you.

It's strange, when watching your vids there have been times that your words come through like memories that I cant quite place!

There's something so familiar.

Anyway thankyou again and I look forward to more Energy Enhancement in the near future!

Best Regards Nick
